## Location to envy

Swarga is the gently flowing Hemavathy River winds its way through the hillocks, with lush green coffee plantations like a carpet on the seemingly endless plains of the Western Ghats Range. Perched atop these gentle slopes is Swarga, tucked away from anything that resembles modern civilization.

Time stands still here; leaving you breathless and in awe of this little pocket of paradise. Colorful flowerbeds merge to form a multi-coloured quilt around the cottages.

The cottages are infused with design touches hinting to the **5 elements of nature, Chandra, Surya, Prithvi, Jala** and **Vayu**. Located just 25 Kms from Sakleshpur and 250 Kms from Bangalore, Karnataka, Swarga offers hospitable service and complete privacy for a memorable stay and the utmost in soothing relaxation.
